About the HSC

The Hamburg Sustainability Conference (HSC) is an initiative of the German Federal Ministry for Economic Cooperation and Development (BMZ), the United Nations Development Program (UNDP), the Michael Otto Foundation and the Free and Hanseatic City of Hamburg. HSC is dedicated to advancing global cooperation and empowering alliances that drive progress toward a shared future. As a platform for visionary thinking and collaborative action, we bring together leaders, innovators, and change-makers to develop bold ideas and shape solutions for tomorrow. HSC fosters meaningful connections and collective momentum for a more resilient, inclusive, and future-oriented world.
